

IT'S MY LIFE
DAY9
Honestly

In that situation,
I hesitated for a
second knowing
that avoiding it
would've allowed
it to hit my
house, so I
couldn't react in
time...!

It's
all
my
fault!

*N

...
!!*

Noah!
Get a
hold of
yourself...!

...You're...
breathing...!

...There's no
trauma...?
After getting
hit by such
magic at
point-blank
range...

...Hey!
You
there-

What
should
I... I... I...

I...
Because
of me,
Noah...
Noah
has...!

AH-

AHH...

AHHHH...

What...
do I do
now...

did
such a
thing
to... to
Noah...

I... I...

Hey...

Hub...? The
atmosphere
up until now
has...

Hey!!

Because
of me,
Noah
died...

I knew I
wasn't
cut out
for being
the Tribe
Chief?

*Get a
fucking
grip!!*

*What
will we
do if
you
don't
save
that
girl!!!?*

*You're
Noah's*

*"older
sister,"
aren't
you!?"*

...
!!

Bu... but...
Revival
magic is
taboo...

That
kid
isn't
dead!

No
way...!!
...!?
!

But that's.../
She was
swallowed by
my magic at
such close
range, yet...
That's.../

...She's
warm...

Noah...
What a
relief...
You're
alive...

*What
can I
do for
her!?*

*Will she be
spared!?
Will she
properly
wake up!?*

*...No shit,
Sherlock!*

*I know
she's
alive!*

*...I
see...
That's a
relief...*

*She's
just
asleep...*

*...Th...
there's no
need to
worry...*

*She's fallen into
a deep sleep
from suddenly
exhausting her
magical power,
but she'll recover
if she continues
to sleep like this.*

*...Perhaps... At
that instant,
Noah released a
ton of magical
power and
cancelled out
my magic.*

It seems she unconsciously released a defense magic when she was in danger.

Can such a helpful thing actually be done? By a kid who can't even handle flying...

"Cancelled out?" How did such a thing?

Against such a large-scale magic?

The being that rests within her... allowed her to do that, huh...?

Now that I think about it carefully, it was pretty amazing.

Come to think of it, she wasn't really injured after breaking through a window and also falling out of the sky, huh...?

RETURNED

Right.

Hm...? What'd you say?

Uh, nothing. I was just talking to myself.

Huh?

Well?
C'mon
in too.

...You're
inviting an
enemy who
just now
tried to kill
you?

And, I...

don't
really
consider
you an
enemy.

I told you to
cooperate
with me, so
you can't
say no.

It's
I'm glad it
looks like
there's nothing
wrong with the
house.

You returned
it to normal
fairly easily,
huh...?

.....

...Noah...

!?

Wh-wh-what
are you-

Her
hand.

Hold
onto
it.

Maybe
this way,
this child
will settle
down in
her
dreams
as well.

No, I don't mind. It's an old story.

Sorry. I shouldn't have asked...

...It was because my mother, the previous generation, died early.

Is there a reason that you're the Tribe Chief at that age?

However, I...

Everyone felt uncomfortable about that.

In our small village, it's inconceivable that nobody knows about her birth.

Nobody knows where she came from or when she showed up.

...About Nook...

Even I'm aware about it... I'm... a useless older sister...

...In the end, Nook hated me and silently left.

But... Being new to the scene, I focused all my efforts into working in the Tribe Chief... so I couldn't give any attention to Nook...

I couldn't ignore an orphan like her...

...That's... To think that Noah... thought that I hated her...!

She said "I don't want to go back to a place where the people I like hate me!"

...Eh?

Noah... didn't hate you.

Well... There's no point even if I explained this to you, huh...P

She didn't have to help me out you know... Since I didn't want her to fall over and get hurt...

N-no... That was...

She said you'd avoid her whenever she blundered at helping out with your work.

...Yeah... okay.

Once this child wakes up, explain it to her properly.

That's right.

It was brief,
but... It was
pretty fun
living together
with someone
I've never even
heard of.

...If you two
reconciliate...
then I guess
I'm... relieved
of a burden.

...Aren't you
speaking to
the wrong
person?

I'm sorry...
for all that's
happened...

...Ah... Um...
That's... I'm
not sure how
to say this,
but... Th...
thanks...

**Apologize
to Noah
and our
house.**

If you're
going to
apologize...

...Your
"house"
...?

My body...
feels
warm...
and light...

What's
going
on...

Eh...?
I'm...
